

Solicitor, Mr Edwin Lewis fee:

For Personal Injury Cases (including RTA & Clinical Negligence) and Insurance Repudiation Cases involving low value below £25K which resolves at the pre-action stage, our professional fee will be based on either Conditional Fee Agreement basis (i.e. No Win No Fees, with a percentage of damages charged as fees where successful – typically 20-25%) or on a Fixed Agreed Fee basis for the entire case.

In all other cases (i.e. claims above £25K and/or litigated matters), our professional fees will be based on either:-

- Traditional Hourly Rates formula – my hourly rate is currently at £380 per hour;
- Fixed Agreed Fees for the entire case and/or stages of the proceedings; or
- Conditional Fee Agreements.

All pricing policy will be agreed upon with every client and documented before commencement of any work.

In addition to the above, all disbursement incurred in the running of the file (such as court fees) and any other out of pocket expenses will be added on to the bill.
